

**Andes Central School** - [www.andescentralschool.org/](http://www.andescentralschool.org/)

Andes Central School is located in Delaware County and serves grades K-12.

**The Project:** Shavertown Music-documentary DVD

The CWC funds will be used to produce a short music-documentary DVD titled "Shavertown." Shavertown was once a community in the town of Andes that now lies beneath the Papacton Reservoir. Shavertown is a memory and hometown to many older residents but only a name to most younger generations. Media Club students will intertwine segments of interviews of former residents with photos, and song. The completed DVD will be shown to K-12 students of Andes Central School as well as holding a premiere for the community members. Copies of the DVD will be made for the school and public libraries in Andes, Middletown, and Colchester with the intention that the libraries will loan the DVD to the public.

**Andes Society for History and Culture** - [www.andessociety.org/](http://www.andessociety.org/)

The ASHC preserves and promotes the history of the Town of Andes, Delaware County, through its two restored buildings (the Hunting Tavern Museum and the Pleasant Valley Meeting House), and through public programming.

**The Project:** The Ecology of the New York City Watershed

The CWC funds will be used to purchase equipment, video and computer programs that will assist Andes Central School students in the collection and research process. The Andes Society for History and Culture will collaborate with Andes Central School science teacher. The project will focus on an elective ecology curriculum for high school students that will include structured lessons and field trips.
